

U CAN STORE IT

SELF STORAGE

NEWSLETTER - JULY 2010

Introduction

Hello and Welcome to the first edition of the U Can store It Self Storage Newsletter. We are finding it increasingly important to keep our customers updated about our business as we strive to constantly improve the service we provide.

We hope that our newsletter will introduce you to the workings of the business as well as an understanding of what other services and products we are able to supply.

With our first issue we will be telling you all about our Open Day in July, showing you what some of our customers say about us, supply you with some tips to optimize your storage space and inform you of our special offers.

Finally, we will give you the opportunity to put a face to a name with an introduction to members of staff throughout the business including a profile of what they do, past experience and how they can help you and improve further the service that U Can Store It is so popular for.

We hope you enjoy our first edition. Any feedback would be greatly appreciated. If you wish to be removed from our Mailing List please e-mail our marketing department:

or alternatively call on 01922 741751.
